

Info Session: How to Get Public Funding for Your Project

Berlin, 17.09.2026

Dear neighbours, activists and community members,

We warmly invite you to an information session on funding opportunities for cultural and creative projects on Wednesday, 7 October 2026 at 5:00 PM.

In cooperation with the Koordinierungsstelle Demokratie Marzahn-Hellersdorf, we will provide an overview of funding opportunities available in the district and discuss how you can turn your ideas into concrete projects.

Do you have an idea for your neighbourhood but don't know how to make it happen? Would you like to organise a multicultural dinner, a workshop, an event series, or start your own initiative? Or are you looking to connect with potential partners and create something together, but don't know where to start or where to find funding?

We will talk about:

- What funding opportunities are available for cultural and creative projects;
- What ideas, projects and initiatives can receive support;
- Who can apply and how the application process works;
- What to consider when preparing a funding application;
- How to turn an initial idea into a project that can receive funding;
- Where to find additional information, advice and support.

The session is open to everyone — whether you already have a concrete project idea or are just beginning to think about starting your own initiative. No previous experience with funding applications is required.
